

Legal Consultation

If you're looking to quicken your attorney search and lower the costs, it's time to consider using your Employee Assistance Program (EAP). Your EAP provides a free 30-minute consultation with a local attorney.

Through your EAP, you may receive a free telephonic or office consultation for legal matters with an attorney in your area. If additional services are needed after the consultation, you will receive a 25% discount off the professional's hourly rate or a 10% discount off a flat fee for the case.

Your EAP can help you in addressing:

- ▶ Domestic Relations (divorce, custody)
- ▶ Landlord/Tenant Rights
- ▶ Criminal Law
- ▶ Financial (bankruptcy, collections)
- ▶ Foreclosures and Garnishments
